MEMP USA
MOBILE EMISSIONS & MAINTENANCE PRODUCTS

NOW RECRUITING · 1099 SALES REPS & SUB-DISTRIBUTORS

Sell the Product That Pays for Itself

The ECO System cuts fuel costs on every gas and diesel truck, and Cobra Clean keeps customers reordering. Proven, referenceable and easy to sell.

30,000+	46¢	3–6 mo	5-year
vehicles, buses & trucks running ECO over the past decade	saved per gallon of diesel at 8% savings and $5.75/gal	typical payback for the customer	warranty · CARB approved · Made in the USA

Why reps close more deals with ECO

No risk to sell
Over 30,000 installs in a decade, a 5-year warranty and CARB approval. You're not selling an experiment.

Savings on every gallon
Customers save money every time they fill up and typically earn back the cost in 3–6 months.

References that sell for you
School districts, cities, trucking and oil field fleets already run ECO and will take your prospect's call.

Repeat business
Cobra Clean degreaser is a consumable, so every ECO customer is a reorder customer.

One of the richest comp plans in the industry

Built for experienced fleet, trucking and B2B sales professionals who want to be paid well for results.

- **Commission paid on every ECO and Cobra Clean sale**
- **Big tickets: a 25-truck fleet is a $38,000+ order**
- **Repeat income from Cobra Clean reorders**
- **Sub-distributor pricing for established dealers**

Call MEMP and start selling

Training, demo units, flyers, a savings calculator and references, ready on day one.

Two products. One easy conversation.

ECO System

Patented Inline Fuel Device (IFD) · US Patents 9,644,153 & 7,942,135

- Fits gas and diesel engines from 2L to 16L
- Installs between the primary and secondary fuel filters
- Better fuel economy, fewer DPF regens, less DEF
- CARB approved · 5-year warranty · Made in the USA
- No moving parts, no maintenance

Cobra Clean Degreaser

Industrial grease cleaner · non-toxic, biodegradable

- Cleans engines, shops, filters and parts
- Quarts to 5-gallon pails, drums and 250-gallon totes
- A consumable customers reorder again and again
- Easy add-on to every ECO System sale

Who you'll sell to

Trucking fleets · School districts · Cities & counties · Oil field & construction · Delivery & service fleets · Transit & shuttle buses · Landscape companies · Refrigerated trucking fleets · Generators · Truck dealers & shops · Owner-operators

MEMP makes your job easy

- Customer references ready to call
- Flyers, presentation deck and online savings calculator
- Demo units and pilot programs to close the deal
- Install support and fast quotes on every order

Start selling in three steps

1 Call Mike
Tell us about your territory, customers and sales background.

2 Get set up
Comp plan, training, sales materials and a demo kit.

3 Start closing
Bring us the leads. We help with pilots, references and installs.

Experienced sales pros: let's talk

1099 sales reps and sub-distributors wanted. Gas and diesel truck markets.
